

## ALLUBE PUMP SERVICE & REPAIRS

Allube have been repairing and servicing lubrication pumps for over 30 years. We offer a fast and reliable pump service for a wide range of pumps.

Our **Lubrication Engineers** work to manufacturer guidelines and procedures and have a wealth of knowledge to provide the best possible service for you.

**“We can repair virtually any brand of pump”**

### PUMP REPAIR

- We strip the pump down
  - Provide a report
  - Quote for the repair
- FREE OF CHARGE!**

We aim to repair your pump for much less than the cost of a new one. We stock an extensive range of repair parts to ensure a quick turn round.
