

GROENEVELD FAULT DIAGNOSTIC SERVICE

DO YOU HAVE A GROENEVELD AUTOMATIC GREASING SYSTEM ON YOUR PLANT AND MACHINERY, WHICH KEEPS FAILING?

Here at Allube we can offer you a diagnostic service which lists all faults that have occurred previously on your system.

Our trained engineers have the computer equipment and software to establish exactly what needs repairing.

We charge competitive rates, all priced on your exact location. Our minimum call out and diagnosis is **£80.00** within a 30 mile radius.

Why not give us a call today on **0114 2454979** or email Chris Wood at **chriswood@allube.co.uk**.
