

GREASE GUNS

HIGH PRESSURE SERIES

Alemite High Pressure Series Grease Guns will develop up to 15,000 psi pressure, and are designed to perform in harsh environments. In addition to grease, they are suitable to dispense sealants and other similar fluids. All steel construction ensures long life and reliability.

High Pressure Guns

FEATURES:

- Develops up to 15,000 psi pressure
- Cast iron head for durability
- Dispense very viscous lubricants
- Extra long solid lever for maximum leverage
- Fast loading through loader fitting using Alemite Loader Pump
- Bleeder valve
- Zinc plated
- Gun outlet – 1/4" NPTF
- Available with gauge to allow monitoring of output pressure
