

Model 6800 Lever-Action Coupler

Simplifies Lubrication Tasks

New Lever-Action Design

Alemite's Model 6800 Lever-Action Coupler makes quick work of equipment lubrication. It is easily attached and removed from the grease fitting by the simple operation of the lever. Its superior seal minimizes grease loss between the coupler and the fitting head. All-steel construction provides maximum durability and service life while the rubber sleeve protects the hose from wear.

Featuring one-handed operation, the coupler conveniently remains attached to the fitting without being held in place, if necessary. The Model 6800 grease coupler is suitable for use in vehicle service applications, as well as in agriculture, construction and general industry.

Lever-Action Coupler Benefits:

- Easy attachment and removal from fitting
- Minimizes grease loss between coupler and fitting head
- One-handed operation; coupler remains attached without holding it in place
- Ergonomic lever design with comfortable grip
- Sturdy, all-steel construction with spring-steel jaws
- Durable, nylon protective sleeve prevents hose wear
- Less waste for lower lubricant costs
- Superior sealing
- Increased productivity

Also available from Alemite:

SERIES 586 14.4 Volt Lithium-Ion Grease Gun*

A great companion for the Alemite 6800 Lever-Action Coupler is Alemite's 14.4 Volt Lithium-Ion Grease Gun. This cordless grease gun combines proven, heavy-duty performance with lithium-ion battery technology. The 14.4 Volt Lithium-Ion Grease Gun loads easily, primes quickly and delivers up to 15 cartridges per charge for more uptime and greater productivity in the shop, field and factory.

Maximum power and pressure

- 10,000 psi
- Up to 15 cartridges of grease per charged battery

Powered by Li-ion technology

- 5X less self-discharge vs. NiCd
- 3X as many recharges
- Visible charge level

Robust reliability

- Glass-fiber-reinforced nylon housing for superior impact and wear resistance
- Patented airflow management system optimizes motor and transmission life
- Protective tube guide

Easy, ergonomic operation

- Convenient 3-way loading – cartridge, bulk or suction
- Automatic universal follower

Model Number ⁽¹⁾	Charger	Li-ion Batteries
586-A (US)	120 V/60 Hz	(1) 14.4V
586-B (US)	120 V/60 Hz	(2) 14.4V
586-C (EU)	230 V/50 Hz	(1) 14.4V
586-D (EU)	230 V/50 Hz	(2) 14.4V

⁽¹⁾ Lever-Action Coupler available separately.
Standard coupler included in packaged models.

The 586 Series Grease Gun assemblies include a charger and high-impact carrying case. Lever-Action Coupler, mobile charger and tool strap are available separately.
